## Trading Support Accountant - JOB DESCRIPTION

**POET Ethanol Products** is a global leader in the energy and agricultural space, driven by responsible value creation in our industries, communities, and planet. Our roots developed as a supplier of fuel ethanol, and have grown into a multi-commodity and transportation based company providing solutions in grains, fuels, and carbon dioxide markets. As the largest supplier of ethanol in the world, we believe in both the value and benefits of driving a renewable solution to global energy needs, and focus on creating a better path forward in all our related industries.

We are looking for an **Experienced Accountant** to join our growing team. In our Trading Support role, you will work across a broad cross section of disciplines in our business to produce daily position and profit and loss reporting for our trading group, management, and financial reporting area. The position reports to the Trading Support Supervisor. Interested applicants should submit their resume, salary expectations, and cover letter explaining why they seem to be well-suited for the opening. Please email documents to [opportunity\\_TSR@poetep.com](mailto:opportunity_TSR@poetep.com)

### Responsibilities Include

- Assembling contract, shipment, and settlement information for physical and derivative contracts into a daily position and profit & loss statement
- Assist in system development of trading support tools by communicating business requirements to our IT group and by testing the system output
- Assisting in the enforcement of our trading authorities policy
- Preparing mark to market entries and reconciliation functions with the relevant systems as needed
- Communicating developments in the business to the relevant parties on a real time basis

*This is not an all-inclusive list of responsibilities and may change as business needs dictate*

### Requirements

- Proven track record of understanding trading concepts
- Strong communication skills with an ability to work confidently under pressure
- Robust problem solving abilities with a history of proactively identifying problems and independently implementing solutions
- Advanced knowledge of Microsoft Excel and experience in analyzing large amounts of data
- Bachelor's degree or higher in Accounting or Finance

**Please include a resume and cover letter.**

### Work Environment

POET Ethanol Products provides a relaxed, but professional, non-smoking work environment and a very competitive benefits package. We are proud to be an Equal Opportunity Employer.
